How parents can help:

- Oracy homework will be set every Thursday, which will inform you of what we will be learning the following week. This will be uploaded onto Google Classroom.
- Read to your child daily.
- Encourage your child to become more independent by walking or cycling to school and not in a pram.
- Encourage your child to carry their own water bottle and book bag to school.
- Bring your child to school on time every day.
- Please also provide us with a change of clothes in your child's PE bag in case of any accidents.
