

Selborne Primary School—Statutory Assessments 2026

(Data excludes pupils from the ARP)

Reception– GLD

GLD stands for 'Good Level of Development'. This refers to a summative assessment judgement which is made for each EYFS child at the end of the reception year. It is a measure of attainment, not progress. Achieving a good level of development is considered the age-related expected standard and will help a child to make a good start in Year 1.

KS1 Phonics Screening Check

The statutory phonics screening check assesses Year 1 pupils' phonetical knowledge. They use their phonics to decode sounds and read words. If a child does not meet the standard in Year 1, they retake the screening check in Year 2.

Year 4—Multiplication Tables Check

The Multiplication Tables Check (MTC) is statutory for all Year 4 pupils. The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics.
